ABOUT ME

I'm a passionate Frontend Developer with a strong foundation in HTML, CSS, and JavaScript, dedicated to crafting responsive, user-friendly websites and applications.

EDUCATION

2021-2023 **FSC PRE-MEDICAL | LAWAGHER MODEL SCHOOL & COLLEGE KARAK**

Completed Intermediate in Pre-Medical with 78% marks, focusing on core subjects such as Biology, Chemistry, and Physics. Developed a strong academic foundation and analytical skills, preparing for further studies in the field of science and technology.

2023-2027 **UNIVERSITY OF AGRICULTURE PESHAWAR| BACHELOR OF COMPUTER SCIENCE**

Currently pursuing a Bachelor's degree in Computer Science with a strong focus on software development, web technologies, data structures, and algorithms.

WORK EXPERIENCE

2024 - present **SMIT PESHAWAR | WEB DEVELOPER TRAINEE**

As a MERN stack developer trainee at SMIT Peshawar, I am gaining hands-on experience in building full-stack web applications using MongoDB, Express.js, React, and Node.js. I am actively involved in learning and developing web applications, understanding the intricacies of both frontend and backend technologies. Through this training, I am honing my skills in RESTful API development, database management, and user interface design. I am committed to improving my problem-solving abilities and keeping up-to-date with industry best practices in web development.
